

Dance - Curriculum Information Page

Curriculum Overview

- Please click [here](#) to view the curriculum overview for Year 10/11
- If your child is absent from a lesson they can consult the overview to identify what learning was missed.
- Your child can then access the missed lesson via their Google Classroom

Google Classroom

- Your Child has been added to a Google Classroom for each of their classes.
- These can be accessed using their School Email Address
- Parents have also been invited to join their child's Google Classroom, allowing them to read notices and guide their child to use the resources provided.
- If you, or your child cannot access the Google Classroom please email ITSupport@Crestwood.hants.sch.uk

Knowledge Organisers

- Knowledge Organisers have been created for each topic/unit that your child will study. They are designed to support your child's learning and to assist in their revision for assessments and exams.
- Knowledge Organisers can be viewed via your child's Google Classroom

Homework

Homework will be set via classcharts, resources accessed through google classroom or their GCSE Dance folders. It will either be peer marked, teacher marked or automatic feedback such as online quizzes etc.

Assessment

Explain here what assessments will take place

- Year 10- Theory mock exam, Practical mock exams for 2x solos and 1x trio.
- Year 11- Practical Exam for 2x solos and 1x trio in Autumn Term 1 before Christmas
- Year 11- Practical Exam for Choreography before Easter
- Year 11- Written Exam in June

Exams and Controlled Assessment

- Year 11 October 22nd: Cherbourg, October 24th: Shakespeare NEA exam; breathe, shift, trios
- Year 11 March 25th: Cherbourg, March 27th: Shakespeare NEA exam; choreography
- Year 10 Practical Mocks at the end of every half term.

Subject Specific Messages

Dance Live will be running and is offered to year 10/11 students as an extracurricular to support with their GCSE studies.

There will be spaces available for lunch time rehearsals once a week.

Intervention will be a fusion of both practical and theory work.
