Hello Yellow Raises £755

On Friday 8th October 2021, Crestwood raised a massive £754.72 for Hello Yellow in support of mental health with photo booths, bake sales and a non-school uniform day.

Hello Yellow Day is a fun-filled day full of activities and was set-up to support a great charity. Hello Yellow is a charity all about mental health. Unfortunately, a

lot of people struggle with their mental health and find it difficult to talk to people. Hello Yellow try to support Young Minds. For more information, visit their website: <https://www.youngminds.org.uk/support-us/fundraising/helloyellow>.

There are lots of ways you can get help. There are places to talk about your feelings and how to

cope with them. You can also read real stories of other people's experiences with mental health. Hello Yellow is not just for kids, it's for parents too, so whoever you are and whatever you need, Hello Yellow can help you!

A massive thank you to everyone who made the day a success!

CAP Begins in Eastleigh

An association known as CAP (Christians Against Poverty) has started in Eastleigh.

The charity provides free debt help and local community support groups across the UK. Their free services, run with local churches, provide practical and emotional support and show people that there is always hope in this world.

If you would like to get involved, you can visit The Junction Church, located on the 2nd Floor, 41-53 High St, Eastleigh, SO50 5LG. Every CAP service is run through a local church, equipped and empowered to transform lives in their communities. Please be aware that traditional Sunday services (10:30 am) may not be CAP related.

Summer School Success!

For a number of years now, Crestwood has been running a summer school to help new Year 7 students transition easily into life at secondary school.

Here's what Alex had to say about his own experience:

best school experiences I've ever had. The teachers were very nice and they were very understanding in our lessons. When I first went to summer school, I was a bit nervous about not knowing anyone, but I needn't have been."

The Duke of Edinburgh's Award!

Crestwood students exploring the New Forest on a recent expedition.

Greeting some of the locals. Fortunately, they weren't on the menu!

Students enjoying a well-deserved break for lunch!

Do you want to have fun, educational experiences with your friends?

Do you want an opportunity to discover new interests and talents whilst acquiring a recognised mark of achievement that is respected by employers? If yes, you should take part in The Duke of Edinburgh's Award (DofE).

The award is all about taking responsibility and being independent, learning resilience and self-sufficiency.

There are three stages / awards to complete: Bronze, Silver and Gold. They involve helping the community and environment. You'll also improve your fitness, develop new skills, plan and train

for expeditions.

The DofE is a national award and if you manage to get a gold award, you will get the chance to meet a royal and go to Buckingham Palace. **For more information, please email Mr Johnson. Open to year 9+.**

Movie Review: Black Widow

!!! Spoiler Alert

The Black Widow film is a new addition to the Marvel franchise starring Scarlett Johansson as Black Widow. This film explores what happened to Natasha Romanoff between Captain America: Civil War and Avengers: Infinity War.

In the thrilling tale, we see Black Widow meet her 'adopted' sister and she learns that General Drakov, overseer of the secret spy organization - the Red Room, is still alive. She thought she had killed him after she quit the organisation at a young age and took on the role at S.H.I.E.L.D with Clint Barton (Hawkeye). She reunites with the rest of her

'adopted' family and takes down the Red Room - again.

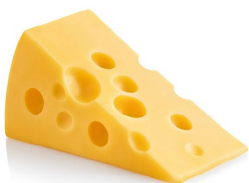

The second end credit scene explores Yelana, Black Widow's 'adopted' sister seeing Natasha's grave after her untimely death in Avengers: Endgame and meets up with Valentina Allegra de Fontaine (Val, for short) and Val wrongly accuses Clint Barton of killing Black Widow.

In the end this film is a brilliant movie with interesting new characters and plot points. Well done, Marvel.

Crestwood Plays Competitive Rugby for the First Time in 5 Years!

On the 28th September 2021, Crestwood's newly formed rugby team travelled to Brookfield School in Southampton to play its first competitive game in a whopping five years!

Prior to the game, team members underwent an intensive regime of training overseen by Crestwood's very own professional rugby player and resident PE teacher,

Miss Sutton. She had the following to say about the game:

"The game involved contested line outs and contested scrums. The boys were amazing showing great team work, speed and power to defend their try line."

Although Crestwood lost the match, it was a close contest.

Girl Football Teams in a League of Their Own!

Throughout this half term, Crestwood's female football teams have dominated in the local leagues.

The year 7 team, although losing their first match 1-0 to Mountbatten, fought back to beat Toynbee 2-0!

The combined year 8 & 9 team, however, have experienced successive victories, beating John Hanson 3-1 in the cup and beating Romsey 8-1 in the league.

Team Tenacity: Year 7 Football!

Crestwood's Year 7 football team haven't started how they thought they would, but that doesn't mean they won't continue to fight!

On Monday 20th September

2021, the Year 7 football team played two games: Wyvern and Swanmore; the scores were 2-1 to Wyvern and 1-0 to Swanmore.

Phanuel, an attacker for Crestwood, said:

"I believe we played well but we didn't know each other too well, which led to a breakdown in communication. Jayden scored our only goal, but it wasn't enough. We simply ran out of time, it went so quick!"

Since this match, members

of sports teams from both campuses, Cherbourg and Shakespeare, have started to train together to help develop more synergy between players.

Mr Vass, a PE Teacher at Cherbourg, said:

"With better structured training sessions and plenty of fixtures on the horizon next half term, the future of sport at Crestwood is an exciting one."
