Our Ofsted report from February 2024 stated that at Crestwood *“there is a welcoming, friendly atmosphere”*. They also said that *“teachers and support staff, including those in the early stages of their career, are proud to work at the school. They particularly value school leader's careful consideration of their workload and well-being so that they can focus their efforts fully on pupils' education.”* In addition, Ofsted report that *“many pupils, staff and parents describe the school as a ‘big family’*.

We are one school over two campuses, serving the children of central Eastleigh, which is a vibrant town, with large amounts of development in both business and residential areas. There has been an expansion in the primary sector with several local schools undergoing expansion to their buildings to accommodate the growth in student numbers. Crestwood merged with the former Quilley School in 2016 to provide one secondary school for Eastleigh, something new and exciting, offering high quality education for the children of Eastleigh. In 2022 we became oversubscribed in every year group and are operating a waiting list across both campuses. The two campuses are situated at Shakespeare Road and Cherbourg Road and both offer the same high quality education to all year groups with little movement of students. Staff are predominantly one campus based but may be expected to teach across both sites, whilst playing an active part in their innovative and high-performing teams. Across both campuses we have been successful in establishing a strong culture and ethos, typified by the #Crestwoodfamily.

As Head Teacher, I have a clear vision and an absolute determination, alongside my team, to continue to improve even further the provision of education across Eastleigh.

The Ofsted report states that *“Leaders and governors are driven by a strong sense of moral purpose. They are ambitious for pupils’ futures and drive to provide the best opportunities for them. Staff share these aspirations and are loyal and committed”*.

We care deeply about our school, the staff, the students and the community we serve, we are a school with a heart. We as a school are clear about our improvement agenda and we work cohesively as a school wide team. As this was our fifth consecutive “good” grading it demonstrates that at Crestwood we are continually providing a consistent quality in all we do, against a backdrop of tougher standards and criteria to be judged against.

The Geography department comprises a mix of experienced teachers and ECTs. The department is currently headed by our Assistant Achievement Leader for the EBacc Faculty, who has led the Geography department in reviewing and adapting the KS3 and GCSE curriculum. The Geography department works collaboratively with each other in developing the challenge of the subject to maximise the progress our students make. Within the wider EBacc faculty, there is a breadth of experience and all subject departments are active in their collaboration with each other, regardless of specialism. The EBacc faculty is a warm and welcoming faculty, where we strive to ensure that all students value the importance of humanities and languages in building their understanding of their world around them.

We have enhanced our campuses significantly over the past few years. We have refurbished nearly all areas across the school. We have had a new crescent area and roof at Shakespeare which has enhanced the building significantly. The Cherbourg Campus is situated between the town’s two post-16 providers. The site is well maintained with specialist facilities in excellent condition throughout, including 5 new Science rooms and refurbished Sports Hall. In totality we are a school continually on the up and have a can-do-more attitude.

As a new member of staff you will be well supported: we have a comprehensive induction process, and you will be given an Induction Mentor and a ‘professional buddy’. We hold the Investors in People Gold standard, and see professional learning as a major strategic priority

For the successful candidate, a commitment to raising standards and a passion for developing young adults is essential: this entails a commitment to all learners, to excellence for all, and a belief that a good school makes a significant difference to learners’ life chances, levels of attainment and the wellbeing of the community as a whole.

Your application should comprise a completed Hampshire teaching application form, and a letter in which you should outline your experience to date, the reasons for your interest in the post and your suitability for it. **Please include a paragraph on your philosophy of teaching Geography and what specialisms you could bring to Crestwood Community School.**

Applications, with the names and addresses of two referees, should be returned to me, Krista Dawkins, Head Teacher at hr@crestwood.hants.sch.uk.

We look forward to hearing from you.

Krista Dawkins
