11 – 16 Mixed Comprehensive NOR 1,450 (across two campuses)
Head Teacher: Krista Dawkins

Assistant Faculty Lead - Technology (D&T Specialist)

Part time or Full-time

To start September 2024

MPR/UPR - dependent on experience plus TLR 2a £3,214

Recruitment Incentive available of up to £3,000 per annum for the right candidate.

Crestwood Community School is one school, with two campuses serving central Eastleigh. We are looking to appoint an enthusiastic and ambitious person as an Assistant Faculty Lead for our Design & Technology department to start in September 2024. D&T sits as part of the Technology Faculty and is an exceptionally upbeat, forward-thinking, and innovative department, which is cohesive, team-spirited and collaborative. We are looking for someone who can play an active role in contributing to the already high standards within the faculty, fostering an inquisitive approach to D&T and reviewing and shaping the curriculum.

Crestwood Community School had an Ofsted inspection in February 2024, which confirmed that we continue to be a **'good'** school. The report stated that at Crestwood *"there is a welcoming, friendly atmosphere"*. They also said that *"teachers and support staff, including those in the early stages of their career, are proud to work at the school. They particularly value school leader's careful consideration of their workload and well-being so that they can focus their efforts fully on pupils' education."* In addition, Ofsted report that *"many pupils, staff and parents describe the school as a 'big family'".* This is a happy school, where staff and students want to be. The #Crestwoodfamily pervades through everything we do.

As a school we take staff well being seriously. We offer staff the following:

- wellbeing weeks, with no commitments scheduled after school
- free lunch every day
- free tea and coffee
- half termly cooked breakfasts
- accrued inset days, taken as twilights, giving staff an additional 4 days off a year
- One wellbeing day per year (during term-time), to be taken at their chosen time (after a qualifying period)
- weekly thank you bulletin
- birthday cards
- heads discretionary leaves of absence for family events
- acts of random kindness
- access to mental health first aiders

We will ensure that the successful candidate has:

- comprehensive induction including a dedicated mentor
- continuous professional learning, development and improvement
- the opportunity to contribute to raising standards for all our students

Please download further details and a Hampshire Teaching Application form from the school website www.crestwood.hants.sch.uk located under the School Information / Vacancies tab.

Please note we cannot accept a CV as a means of application.

Closing date: **Monday 29th April 2024**

Interview date: **Friday 3rd May 2024**

Crestwood Community School and Hampshire County Council are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

Information for applicants for the post of: Assistant Faculty Lead - Technology

Salary: MPR/ UPR plus TLR 2a £3,214

Closing date for applications: Monday 29th April 2024

Interview date: Friday 3rd May 2024

We are seeking someone who will be ambitious for our students and committed to achieving excellence in Technology. The challenge for the successful applicant will be to contribute to further developing an already strong subject and continue to raise standards at both KS3 and GCSE. The post would suit a Resistant Materials/ Graphics specialist

As a school we take staff well being seriously. We offer staff the following:

- wellbeing weeks, with no commitments scheduled after school
- free lunch every day
- free tea and coffee
- half termly cooked breakfasts
- accrued inset days, taken as twilights, giving staff an additional 4 days off a year
- One wellbeing day per year (during term-time), to be taken at their chosen time (after a qualifying period)
- weekly thank you bulletin
- birthday cards
- heads discretionary leaves of absence for family events
- acts of random kindness
- access to mental health first aiders

Our Ofsted report from February 2024 stated that at Crestwood *“there is a welcoming, friendly atmosphere”*. They also said that *“teachers and support staff, including those in the early stages of their career, are proud to work at the school. We are one school over two campuses, serving the children of central Eastleigh, which is a vibrant town, with large amounts of development in both business and residential areas. There has been an expansion in the primary sector with several local schools undergoing expansion to their buildings to accommodate the growth in student numbers. Crestwood merged with the former Quilley School in 2016 to provide one secondary school for Eastleigh, something new and exciting, offering high quality education for the children of Eastleigh. In 2022 we became oversubscribed

in every year group and are operating a waiting list across both campuses. The two campuses are situated at Shakespeare Road and Cherbourg Road and both offer the same high quality education to all year groups with little movement of students. Staff are predominantly one campus based but may be expected to teach across both sites, whilst playing an active part in their innovative and high-performing teams. Across both campuses we have been successful in establishing a strong culture and ethos, typified by the #Crestwoodfamily.

As Head Teacher I have a clear vision and an absolute determination to improve the provision of education across Eastleigh.

We care deeply about our school, the staff, the students and the community we serve, we are a school with a heart. We as a school are clear about our improvement agenda and we work cohesively as a school wide team. As this was our fifth consecutive “good” grading it demonstrates that at Crestwood we are continually providing a consistent quality in all we do, against a backdrop of tougher standards and criteria to be judged against.

At Crestwood within KS3 Design and Technology we currently offer a range of specialisms such as Textiles, Electronics, Product design, Graphics and Food. At KS4 we offer both a GCSE in Design and Technology and Food Preparation and Nutrition. However, as an innovative and forward thinking team, we are always looking to develop new areas within the subject and at Key Stage 3 are always developing new projects.

The Technology Faculty is a leading faculty across both campuses. The Achievement Leader of Technology is enthusiastic, highly experienced, hands-on and a highly supportive Head of Faculty. He is assisted by an equally passionate Assistant Achievement Leader, who is a Food specialist, together they have created an extremely motivated and enthusiastic Technology team who work well collaboratively to create an innovative, enriching and ever evolving curriculum. The team are supported by 3 technicians, one of whom is a qualified D&T teacher.

In Key Stage 3, students currently have 75 minutes of Design & Technology time every week, however the school is currently consulting on moving to 60 minute lessons. These lessons take the form of ‘rotations’ throughout the year, so that all students get to experience all specialisms. In Key Stage 4, we currently offer GCSE Design & Technology - with students choosing between a Resistant Materials or Textiles specialism for their final NEA, and also GCSE Food Preparation and Nutrition, as option subjects. However, within our ethos to constantly find the most innovative and dynamic curriculum mix, we are always looking at the merits of new courses.

The Faculty is incredibly well resourced across both campuses with specialist rooms for each subject area and up-to-date equipment, which is well managed and maintained by our own in-house technicians. Our IT resources are also excellent, with access to IT suites, Chromebooks and specialist design software as needed.

We have enhanced our campuses significantly over the past few years. We have refurbished nearly all areas across the school. We have had a new crescent area and roof at Shakespeare which has enhanced the building significantly. The Cherbourg Campus is situated between the town’s two post-16 providers. The site is well maintained with specialist facilities in excellent condition throughout, including 5 new Science rooms and refurbished Sports Hall. In totality we are a school continually on the up and have a can-do-more attitude.

As a new member of staff you will be well supported: we have a comprehensive induction process, and you will be given an Induction Mentor and a 'professional buddy'.

For the successful candidate, a commitment to raising standards and a passion for developing young adults is essential: this entails a commitment to all learners, to excellence for all, and a belief that a good school makes a significant difference to learners' life chances, levels of attainment and the wellbeing of the community as a whole.

Your application should comprise a completed Hampshire teaching application form, and a letter in which you should outline your experience to date, the reasons for your interest in the post and your suitability for it. **Please include a paragraph on your philosophy of teaching Design & Technology and what specialisms you could bring to Crestwood Community School.**

Applications, with the names and addresses of two referees, should be returned to me, Krista Dawkins, Head Teacher at hr@crestwood.hants.sch.uk.

We look forward to hearing from you.

Krista Dawkins
