## Section 2: About Crestwood Community School

We are one school over two campuses, serving the children of central Eastleigh, which is a vibrant town, with large amounts of development in both business and residential areas. There has been an expansion in the primary sector with several local schools undergoing expansion to their buildings to accommodate the growth in student numbers. Crestwood merged with the former Quilley School in 2016 to provide one secondary school for Eastleigh, something new and exciting, offering high quality education for the children of Eastleigh. In 2022 we became oversubscribed in every year group and are operating a waiting list across both campuses. The two campuses are situated at Shakespeare Road and Cherbourg Road and both offer the same high quality education to all year groups with little movement of students. We have two specialised Resource Provisions, dyslexia and SEMH.

As the long serving Executive Headteacher of this wonderful school, I have a clear vision and an absolute determination, alongside my team, to continue to improve even further the provision of education across Eastleigh. The school has a very mixed intake and as a result areas such as pupil progress, behaviour and attendance remain a challenge.

The composition of the school as of March 2026 was:

Students	Current	National	Hampshire
School number on roll	1474	Well above average	Well above average
School %FMS(6)	36%	Above average	Well above average
School %SEND support	19%	Close to average	Close to average
School %EHC plan	8.2%	Well above average	Well above average
School %EAL	14.5%	Close to average	Well above average
School number LAC	18	Well above average	Well above average

We agree with the recent Ofsted areas for Improvement and have established school wide staff working parties to address these.

The Ofsted report states that “Leaders and governors are driven by a strong sense of moral purpose. They are ambitious for pupils’ futures and drive to provide the best opportunities for them. Staff share these aspirations and are loyal and committed”.

We care deeply about our school, the staff, the students and the community we serve, we are a school with a heart. We as a school are clear about our improvement agenda and we work cohesively as a school wide team. As this was our fifth consecutive “good” grading it demonstrates that at Crestwood we are continually providing a consistent quality in all we do, against a backdrop of tougher standards and criteria to be judged against.

Staff are predominantly one campus based but may be expected to teach across both sites, whilst playing an active part in their innovative and high-performing teams. Across both campuses we have been successful in establishing a strong culture and ethos, typified by the #Crestwoodfamily.

Our Ofsted report from February 2024 stated that at Crestwood “there is a welcoming, friendly atmosphere”. They also said that “teachers and support staff, including those in the early stages of their career, are proud to work at the school. They particularly value school leader's careful consideration of their workload and well-being so that they can focus their efforts fully on pupils' education.” In addition Ofsted report that “many pupils, staff and parents describe the school as a ‘big family’.

We have enhanced our campuses significantly over the past few years. We have refurbished nearly all areas across the school. We have had a new crescent area and roof at Shakespeare which has enhanced the building significantly. The Cherbourg Campus is situated between the town's two post-16 providers. The site is well maintained with specialist facilities in excellent condition throughout, including 5 new Science rooms and refurbished Sports Hall. In totality we are a school continually on the up and have a can-do-more attitude.
