All clubs are free of charge and open to all students unless identified above. Remember to tell an adult at home that you are attending a club!

Please turn up for the first session and register. *Steel bands and production rehearsals are by invitation/audition only.

Signing up for a club is a commitment and you should let the member of staff running the club know if you are unable to attend. Registers will be taken at each session.

Unless you hear otherwise, please assume that you have a place in your chosen club. If clubs are heavily oversubscribed we will contact the students concerned. If, for any reason, clubs are unable to run on a particular day, parents will be informed via Schoolcomms and the school's Facebook page.

Clubs will not run on Mondays when we have Staff Inset training sessions but parents will be informed in advance of this.
