Summer Challenge

Looking for something to do this summer? Get ready for Year 7 by trying some new things. 3 completed "subjects" will earn you 5 Positive Points. 6 "subjects" will earn you 10 point, and 9+ will earn you 15!

Write a report all about a book or magazine you read over summer.

Learn how to introduce yourself in a different language

Beat the Till: Help home on the food shop by trying to calculate the price as you go, before the till.

Try a new sport. Did you know that there are hundreds of sports that don't require any equipment?

Draw a picture of the moon every night for a week - what changes happen?

Write a letter to someone explaining a tradition that happens in your culture, religion or household.

Write a review of one of the museums in our local area.

[Tudor House - free summer activities. Netley War Graves, Fort Nelson, Winchester City Museum - all free]

Find a new favourite song.

Draw a self portrait - include two of your favourite things in your artwork.

Help prepare a meal at home and take a picture of your hard work

Visit a river, stream, beach, pond or lake and explain what animals and plants you find.

Write a peice about your favourite character - what qualities do they have that you like?

How do I win? Email your evidence and photos to your tutor on your first day!
