

CRESTWOOD
COMMUNITY SCHOOL

5 September 2023

Dear Parents/Carers,

Year 11 enhancement will commence from today, Tuesday 5th September. Initially, each subject will have enhancement once per fortnight and it will take place between 3pm and 4pm.

Attendance at enhancement is a vital part of your child's preparation for their GCSEs and attendance is compulsory for all students. Should your child be unable to attend enhancement on a particular day, please communicate this to your child's class teacher.

Attendance at enhancement will be recorded on ClassCharts and students will receive positive reward points. This year good attendance at enhancement will be one of the criteria for attending the School Prom. Further details will be communicated regarding this shortly.

There is a clear link between good attendance and good progress. Our school results from this year showed that students with attendance above 95% were four times more likely to get a Grade 4 in both English and Maths compared to those with attendance of less than 80%.

The timetable for the Autumn term is below; students can find out which option block they are in by viewing the class code on their school timetable.

Cherbourg Timetable
