

CRESTWOOD
COMMUNITY SCHOOL

1 March 2024

Dear Parent/Carer

We are running an exciting Year 9 Design and Technology trip to Cadbury World in Birmingham on Friday 3rd May 2024. This is a fantastic opportunity for the students to get the chance to visit a real chocolate factory in operation!

Whilst there, students will get the opportunity to discuss the different reasons behind the designs of some popular Cadbury chocolate bars and see how the design of the bar is linked to the wrapper and the advert. They will also look at examples of different wrappers from Cadbury past and present and discuss how these have changed over time. They will discover how fast the flow wrap machines can wrap the chocolate bars and there will be an opportunity to see the real Ghanaian cocoa pods, as students discover the ingredients which go into making Cadbury chocolate. This will include some taste testing!!

Students will leave the Shakespeare Campus at approximately 7.15am. We will travel to Birmingham by coach, have a Design and Technology talk, a tour of the factory, an opportunity to go into the 4D cinema and lots more. Students will need to bring their own packed lunch. If the school provides your child with lunch, please let us know so we can order a packed lunch for them from the school canteen. We will aim to arrive back at the Shakespeare Campus at 6.00pm, although this will be traffic dependent..

Students will need to wear full school uniform.

The cost of the trip is £34.95. If you require financial support, please email karen.davies@crestwood.hants.sch.uk in confidence. Each application will be considered on its own merit. This trip is open to all of Year 9 and there are 100 spaces. Once the trip is full it will be no longer appear as an option on Scopay. I hope that your child is keen to take part in this wonderful cross curricular and fun day out.

Please make your payment of **£34.95 on ScoPay by Friday 14th March 2024** and complete the online consent form, indicating whether your child has any dietary requirements.

If you have any questions or concerns, please email:
