Dear Parents/Carers

I am writing to invite you to share your thoughts on our school's updated **Relationship and Sex Education (RSE)** policy. The government requires all secondary schools to teach RSE and Health Education. At our school, we teach these topics during PSHE lessons, Citizenship classes, and tutor times. We have updated our lessons and policy for the upcoming 2026-27 school year to match the latest national guidelines.

Before we finalise these updates, we are required to consult with parents to ensure our lessons fit the needs of our community. This is your chance to ask questions, share concerns, and give feedback.

To share your views, please complete our brief online survey. We will listen to all feedback carefully before making our final decisions. Please note that while we value your input, the final decision on the curriculum rests with the school. The survey can be found: [RSE Survey July 2026](#)

If you would like to read the official government guidelines or see answers to common questions, you can visit the government website. [Relationships and Sex Education \(RSE\)](#)

Our goal is to ensure our curriculum is:

- Safe and appropriate for your child's age
- Based on clear facts
- Inclusive of all students
- Aligned with our school values

Important Dates

The feedback window is open during the following times:

- **Opens:** Tuesday 7th July 2026
- **Closes:** Tuesday 21st July 2026

We will look at all your feedback and share a summary with our School Governors. We will also share the main points of your feedback with all parents before the new policy becomes official.

Thank you for your time, support, and help in keeping our school community strong.

Yours faithfully

Chris Hook
