

23 June 2026

CRESTWOOD
COMMUNITY SCHOOL

Dear Parent/Carer

Weather Update

It has been another hot and unbearable day with temperatures mirroring yesterday. Therefore, I am writing to confirm school will be closed to students on **Wednesday 24 June 2026**. If temperatures remain the same, we will be closed on Thursday 25 June, but this will be confirmed tomorrow afternoon.

The red weather warning is still in force, and whilst I appreciate some schools are having partial opening, we have to assess our situation in our buildings.

My prime concern is the health and well-being of the students and staff moving forward, whilst providing and maintaining a positive learning environment.

We ask parents/carers to discuss with their child health and safety precautions around [swimming in open waters](#), [sun protection and hydration](#).

- Reception will be open from 8.00am to 10.00am tomorrow on both campuses.
- All internal exams and assessments are postponed this week.
- Year 6 transition day will be postponed to **Wednesday 1 July 2026**.
- Transition Evening has been cancelled, and details will be posted online, including arrangements to collect the uniform voucher.
- Arrangements have been made for FSM children to collect a packed lunch between 8.00am and 10.00am, if they desire. An email has been sent to parents to order lunch.
- Work will be made available on Google Classroom.

I sincerely apologise for such decisions, but this is unprecedented, and due to the nature of our buildings, health and well being has to be a priority. We will update you further as soon as we can.

Yours sincerely

Krista Dawkins
Executive Headteacher
