

CRESTWOOD
COMMUNITY SCHOOL

PARENT BULLETIN

WEEK BEGINNING MONDAY 19th October 2026

Week B Menu: Week 1

KEY MESSAGES THIS WEEK

Today the DFE have released the provisional league tables for GCSE 2026 results. I am delighted to inform you of the following headlines

- Attainment 8 Score of **42.7** This is an improvement of **8.1 points** since 2024 making us the most improved Local Authority School in Hampshire for A8 over the past two years.
- English and Maths 5+ of **38.8%**. This is an improvement of **14.4%** since 2024 making us the most improved Local Authority School in Hampshire for EM 5+% over the past two years.
- English and Maths 4+ of **58.8%**. This is an improvement of **15.6%** since 2024 making us the most improved Local Authority School in Hampshire for EM4+ over the past two years.
- Well done Year 11 for the way in which they are approaching their mock exams, absolutely amazing attitude and behaviour. Mocks continue this week.
- A reminder that we finish for half term at 3pm on Thursday 22nd October 2026 and return to school on Tuesday 3rd November at 8.30am
- The week after half term is our Legally Blonde production. Tickets are selling fast. If you are wanting to secure a ticket please go to this website to avoid disappointment:
<https://www.ticketsource.com/crestwood-community.../e-jpbjyx>
- A recent letter was sent to all Parents regarding not coming onto the School Site without an appointment. From this point forward, no parent/carers will be allowed on the school sites without an appointment. Students are expected to enter the school sites on their own and parents/carers collecting their children at the end of the school day should arrange a mutually convenient place to meet with their child(ren) which is off the school site.
- Matt's Bakery has contacted us regarding students going in and using the toilets at the end of school. There are toilets in the school, and students should not be using the facilities at Matt's as a public convenience. Likewise, the tables and chairs outside are for paying customers, not a meeting place.
- Please remember that there is a FREE breakfast provided on each campus - Shakespeare in the Gym and Cherbourg in the hall. There are cereals, toast, juice, yoghurts, and hot chocolate provided.
- If your child brings a bicycle to school, please ensure that they have a cycle helmet. We are increasingly

concerned about the number of students who do not routinely wear them.

- Please ensure you are accessing Arbor as parents, as it can give you the latest behaviour reporting and notifications.
- Year 11 Mocks - W/C Monday 19th October. Timetables are below:
[Year 11 Mocks Cherbourg Campus](#)
[Year 11 Mocks Shakespeare Campus](#)
- Please can we ask that if you have a concern about anything that happens at school, you email the appropriate person or adminoffice@crestwood.hants.sch.uk It is not appropriate in any way to take to social media to air concerns that have not been raised with the school first. It contravenes our communication policy and is deemed inappropriate communication.
- **Attendance and punctuality**
 - Please ensure your child attends school **before** 8.25 am.
 - Any child arriving after 9 am is marked as absent, in compliance with the DfE rules regarding recording attendance
 - The children will also be registered at 1 pm for the afternoon session, so please try to avoid medical appointments at these times
 - Holidays and leaves of absence will only be granted in exceptional circumstances

KEY DATES FOR PARENTS

- The **INSET Days for 2026/27**
 - **Friday 23rd October 2026**
 - **Monday 2nd November 2026**
 - **Wednesday 21st July 2027**
- **Key dates**
 - Thursday 22nd October School closes for half term / Non-uniform Day
 - Production week

CAREERS UPDATE

- Open Events and useful websites- Local colleges and apprenticeship providers offer students and parents/carers a chance to look around and speak to them about their courses/apprenticeships. Please use this link for the dates [COLLEGE OPEN EVENTS 2026/27](#) and check out the websites for useful information.
- Careers Meetings are available with Mrs Smith to discuss options and colleges. Please email her on d.smith@crestwood.hants.sch.uk if your child/ren requires a meeting.

Parent Forum – Your Voice Matters!

Thank you to the parents and carers who joined us for our latest Parent Forum. It was another valuable opportunity to come together, share experiences, ask questions and have open and constructive conversations about school life.

We discussed a range of topics, including:

Communication with Parents and Carers

We talked about the importance of clear, consistent and timely communication between home and school. Parents shared their thoughts on recent communication regarding access to the school site and highlighted the importance of ensuring that our messages reflect our commitment to positive, approachable relationships with families.

Open Evenings and Early Closures

Parents shared feedback about the notice given for early school closures linked to Open Evenings. We discussed why these evenings are so important in welcoming prospective families, supporting future pupil numbers and giving staff the necessary time to prepare and take a break before the event. Parents understood the reasoning

but highlighted how helpful earlier notification would be for families making arrangements.

School Uniform

We welcomed feedback on our new uniform, including its appearance, quality and consistency. Parents raised some practical points around sweatshirt durability, PE shorts and clearer communication about uniform expectations, particularly sock colours. This feedback will help inform future reminders and conversations with our uniform supplier.

Chromebooks and Access to Technology

We discussed the importance of students having appropriate access to technology to support their learning. Parents shared experiences around Chromebook availability, and individual concerns were signposted to the appropriate teams.

Online Parent Sessions – What Would You Like to See Next?

We were delighted to hear feedback about our online parent sessions. Parents suggested future topics including having difficult conversations with teenagers, healthy eating and body positivity.

We also discussed whether offering sessions on different days or at different times might make them more accessible. We will be seeking wider parent feedback to help shape future sessions.

We also discussed the upcoming online Parent Forum and whether this would make it easier for more families to participate.

The Parent Forum is not about complaints or confrontation. It is about conversation, understanding and working together.

You don't need to have a concern, a question or even something specific to say. You are equally welcome to come along, listen, meet other parents and gain a greater understanding of school life.

We recognise that we won't always get everything right, but listening to our families and reflecting on their experiences helps us continue to improve.

Your experiences matter. Your ideas matter. Your voice matters.

Whether you have attended before or have never joined us, we would love to welcome you to our next Parent Forum.

Together, we can continue building a school community where parents and carers feel heard, valued and involved.

PSHE & Personal Development Newsletter

This half term

We have been really pleased with the maturity and thoughtfulness students have shown in PSHE and Core Citizenship this half term. Students have engaged in important conversations about healthy relationships of all kinds, where to seek support, trusted adults, the role of safeguarding in and out of school and human rights,

showing a growing willingness to listen to different perspectives, ask thoughtful questions and reflect on their own choices.

It has been particularly encouraging to see students thinking carefully about how they can keep themselves and others safe, both online and in everyday life. These discussions help young people develop the confidence, knowledge and practical skills they need to make informed decisions, recognise potential risks and seek support when needed. We are proud of the positive contributions students have made to these important conversations.

Coming up in Autumn 2

Next half term, students will continue to develop their knowledge and understanding through the following topics:

- **Year 7** will explore online safety, including sharing images, online bullying, protecting personal information and passwords, recognising scams, understanding fraud, and using artificial intelligence safely and responsibly.
- **Year 8** will learn about health and wellbeing, including puberty and body changes, periods, mental health, dental hygiene, antibiotics, vaccinations and how to access and use healthcare services.
- **Year 9** will explore citizenship and the justice system, including political parties, fake news in politics, the difference between criminal and civil law, police powers, the role of the courts and how criminal cases are dealt with. They will also learn how to campaign for change, helping them prepare for a potential future GCSE option in Citizenship.
- **Year 10** will continue exploring human rights, focusing on extremism and radicalisation, gender-based violence and human rights. They will also examine the influence of the manosphere through key takeaways from Louis Theroux's documentary, considering how harmful attitudes can be challenged and how to promote respect and equality.
- **Year 11** will continue preparing for life after Crestwood, focusing on college applications and making informed choices about their next steps. Students will write a personal statement, develop interview skills, learn how to create a CV and explore the importance of lifelong learning.
- **Our KS3 Safer Me tutor programme** will also continue to build practical safety skills. Year 7 will focus on cycling safely, Year 8 will explore rail safety and safe travel, and Year 9 will consider personal safety at events, looking after friends, spiking awareness and planning safe journeys home.
- **Our KS4 PDL tutor programme** will continue to build on awareness of key issues and preparing for life outside of Crestwood. Year 10 will further explore healthy relationships and how to protect themselves from dangerous influences, and Year 11 will be developing their understanding of good financial habits for their post-Crestwood life.

How can you support your child at home?

Some PSHE topics can prompt important conversations. You do not need to be an expert or have all the answers; simply showing an interest and listening without judgement can make a real difference.

You could ask your child:

- "What have you been learning about in PSHE this week?"

- “How can you tell if something online might be misleading or a scam?”
- “What would you do if you were worried about a friend?”
- “How can you recognise when a relationship or situation is becoming unhealthy?”
- “Who could you speak to if something made you feel uncomfortable or unsafe?”

Encourage your child to think critically about what they see online, question information that may be misleading, respect other people's boundaries and understand that asking for help is a sign of good judgement.

You can also reinforce the practical messages from *Safer Me*, such as planning journeys, staying aware of surroundings, making safe choices with friends and knowing how to contact emergency services.

Where can you find support?

If a topic raises questions or concerns, you can contact your child's tutor or the appropriate pastoral team at Crestwood.

The following organisations also provide reliable advice and support for families:

- **NHS** – www.nhs.uk: Physical health and mental wellbeing.
- **Childline** – www.childline.org.uk: Support for children and young people.
- **YoungMinds** – www.youngminds.org.uk: Mental health advice and support.
- **NSPCC** – www.nspcc.org.uk: Advice for parents and carers on keeping children safe.
- **CEOP Education** – www.ceopeducation.co.uk: Online safety and protecting children from online harm.
- **FRANK** – www.talktofrank.com: Information and advice about drugs.

Thank you for your continued support. By working together, we can help our young people become informed, resilient and responsible individuals who know how to keep themselves and others safe, build positive relationships and make confident decisions about their futures.

WATER SAFETY

Stay safe. Have fun. Enjoy the water. ♥

DROWNING IS
ONE OF THE
LEADING CAUSES
OF ACCIDENTAL
DEATH IN CHILDREN
IN THE UK.

**MOST INCIDENTS
ARE PREVENTABLE.**

As the weather warms up, children and young people spend more time around water – at home, on days out or on holiday. Let's keep them safe.

Almost half of drownings occur during the summer months when temperatures are higher – especially when 25°C or above.

THE HSCP WATER SAFETY TOOLKIT FOR PARENTS & CARERS INCLUDES:

EVERYDAY RISKS AT HOME

Including bath time safety and garden hazards.

STAYING SAFE OUTDOORS

Such as the beach, around rivers and in open water.

PRACTICAL SAFETY ADVICE

Including the Water Safety Code and how to "Float to Live".

AGE-SPECIFIC GUIDANCE

For babies, young children, older children and teenagers.

WHAT TO DO IN AN EMERGENCY

Including simple first aid steps and where to find further support.

Small actions,
big difference ♥

- ✓ Keep children within arm's reach of water.
- ✓ Choose safe places to swim.
- ✓ Talk to your children about water safety.

Together, we can help prevent tragedies and keep our children safe this summer.

For practical advice and resources, download the Water Safety Toolkit:
www.hampshirescp.org.uk/parents-and-carers/water-safety/

Enjoy the water
Stay safe
Look out for each other
